Time to be happy

Çizmecı Gıda, established in Istanbul in 1993, is a confectionary producer of roll wafers, wafers and biscuits. Under our umbrella brand Çizmecı TIME, we have an internationally organized distribution network, exporting to over 70 countries. Today, we are a company with more than 100 SKUs and loyal customers both in Turkey and abroad markets.

We are proud of all our brands, especially the legendary 'superior wafer' brand **Wafer Master** with its worldwide recognition and reputation. We made a wafer that is expertly kneaded from premium flour. When baked with a thin batter, it is as crispy as if it had been rolled out by hand. Artisan quality but using the latest technology for production. We processed the plump hazelnuts of Turkey, grown in the rainy foothills of the eastern Black Sea Mountains and considered the most delicious hazelnuts in the world for their flavor and oil content. From our proprietary process, we make into a unique cream filling. Finally, we have combined all of our top quality ingredients with cocoa – high fat content, low starch content, intense aroma and unique flavor, obtained from cocoa beans grown in the most suitable tropical climates and altitudes. **Wafer Master: A taste to remember!**

Our success stems from our strategy to produce premium products in distinguished packages using state of art technology and finest ingredients. Given our high quality in all aspects, we are certified by international accrediting organizations (ISO 9001, ISO 22000, BRC A grade).

Once you try our delicious products, you will be craving for more!

Çizmecı TIME: The name of quality! An unforgettable experience of taste!
